Virtual Garden is a festive floral expression where flowers inspire positive feelings. This fresh and lively theme brings along splashes of colour all drawn from nature. We move from jungle green to citrus yellow, to tropical, almost fluor pink. Explore frill details, ties and drawstrings. Multicolour florals and stripes and shades of greens match the jungle landscape, while bold tie dye motifs create a relaxed high summer mood.

## SUMMER SHADOWS

Summer Shadows consists of simple but catchy mostly two tone prints in calming black & white, mid blue and coral hues. Prints can be mixed and matched to play with the mood you are in. We've designed pieces that can translate well in both casual and dressier contexts to meet the wish to have a more flexible wardrobe that can be worn transseasonal. We bring easy silhouettes for dresses and matching sets in upbeat brights to provide joy without compromising wearability.

## BOHEMIAN DREAM

With a vibrant mixture of influences, Bohemian dream is a celebration of life in summertime. The colour palette reflects the desert landscape combined with beautiful oasis hues as teal and breezy blue, placed on easy-to-wear pieces that embrace artisanal craft skills and femininity. Style alone or layered for celebrations and sunny vacations...

Praia dos Três Irmãos is one of the most beautiful beaches in the area of Portimão. The beach has lovely soft sand. It feels amazing to walk there barefoot. Praia dos Três Irmãos is also famous for its stunning rock formations and the many hidden caves that can be explored. This place feels like a dream, a *Bohemian Dream*.

Ferragudo is a gorgeous village and definitely the hot spot of The Algarve. We instantly fell in love with Ferragudo's narrow and cobbled streets with its iconic colorful houses. It is very refreshing to walk in the street with shadows on a hot summer day like this. Just a perfect location to shoot: *Summer Shadows*.
