VAMOS A VALENCIA

What's a better way to start Spring with a classic city trip?
Vamos a Valencia!

Follow the city map, it will point you to the beautiful places of the city.

We went to explore the city by bicycle. We visited the most beautiful parks full of oranges, local neighbourhoods, restaurants and amazing hikes where we overlooked the skyline.

Siesta's? We don't have time for that!

We stayed in a hotel in the heart of the city. A woman can't say no to a little bit of luxury, right?!

Let's discover the city of oranges together!

CIUTAT VELLA

Ciutat Vella is the historic center of the city. This area has several highlights and hotspots that you really should not miss during your trip. Valencia is of course the city of oranges and we couldn't resist picking up some ourselves. The beautiful tones of nature are also represented in the items of the collection.

PLAZA DE LA REINA

One of the most famous squares in Valencia is *Plaza de la Reina*.

At this square you will also find the beautiful Cathedral of Valencia. Furthermore, there are amazing restaurants around this square and it has a great atmosphere. We couldn't resist trying the local churros and of course a fresh orange juice!

PLAZA DEL AYUNTAMIENTO

The *Plaza de Ayuntamiento* is Valencia's largest square and super impressive.

The flower stalls around the square are very characteristic. With our bikes we explored this beautiful atmosphere. Our bold paisley prints and colorful flower prints matches perfectly in this area!

CIUTAT DE LES ARTS I LES CIENCIES

The City of Arts and Sciences is one of Valencia's leading attractions. It is a unique experience to walk between these buildings.

The Umbracle is an immense garden that is freely accessible where you can walk and see typical plants of the Mediterranean and there are also contemporary sculptures.

It's a perfect spot to watch the sun go down.
